Re: *Reggie Anders v. Verizon Comm'n's Inc., et al.*
SDNY Docket No. 16 Civ. 5654 (VSB)

Dear Judge Broderick:

Please recall that my office is counsel to co-defendants National Action Network and Rev. Al Sharpton ("NAN Defendants"). I write today to seek a short three (3) day extension for the time for all defendants to submit its motion to dismiss the Third Amended Complaint of the plaintiffs. I seek this extension as my law partner, David Thompson, is currently undergoing an emergency surgical procedure on his shoulder. Although this is not major surgery, it obviously impacts Mr. Thompson's ability to have the briefing ready for filing on Monday.

By this letter, the NAN Defendants request an extension of time for all defendants to submit their moving briefing on Thursday April 6, 2017. This will push the plaintiff's opposition due date to April 20, 2017, and defendants' replies to May 4, 2017.

This request is made on consent of all parties.

I remain,

Very truly yours,
